Correct Barbara, I no longer work for Austin Legal Video (Pasqual "Trey" Perez). I am fully independent now. Under the current pandemic situation, I am only doing Zoom videos. I performed Zoom depositions long before Covid 19 hit the country. I charge \$45 per hour for remote depositions. I can handle exhibits if provided ahead of time and both parties agree. I have also displayed video clips and power points in the recordings. When the time is right and things are safe again, I will resume live depositions in the field. Standard depositions will be \$75 per hour. I can also provide PiP (picture in picture) for an additional flat fee of \$200. Prior to the pandemic, I performed several hundred of these for Thomas J. Henry. I operate primarily in the Austin area. If you feel you would like to use me, let me know and I will provide you with my W-9 for payroll/accounting purposes. If it all possible I prefer payroll on a Net-30 basis. Thank you for taking the time to reach out to me, I look forward to doing business with you.

Hey Walter,

Can you send me a copy of your rate sheet? Also, just to confirm you no longer have any affiliation with Austin Legal Video, correct?

Thank you,

Subject: Hi Barbara

This is Walter Bryan, formerly of Austin Legal Video. It's been a long time since I spoke to you but do you remember me?

I just wanted to let you know I am still a videographer and still do depositions. I am an independent. I have been Zoom qualified 5 years prior to the pandemic so I am very good at it. When Covid finishes it's ugly business I'll be back at it in the field too.

Just curious if you might need my services? Please let me know and thank you! Stay safe.
